

Lighthouse Villa

Set in Fanari, named for the lighthouse that watches over this stretch of coast, Lighthouse Villa is a luxury retreat where an infinity pool seems to spill into the open Aegean. A private garden and spacious outdoor living invite long, unhurried days in the sun. Three bedrooms host up to six guests, with room to gather and room to relax.

Days here are framed by blue. Swim as the pool meets the horizon, retreat to the garden in the heat of the afternoon, then gather outdoors for dinner as the sun sinks and the sky turns gold. With a personal chef on request and a concierge on hand, the villa runs quietly, so all that remains is the view.

Lighthouse Villa By RESTONI

Lighthouse Villa is made for slow, open-air living: long days beside the infinity pool, lunches in the garden, and evenings that linger as the lighthouse beam begins to sweep the dark.

To stay at Lighthouse Villa is to live between the pool and the sea. Wake to panoramic blue over Fanari, swim before the day warms, then let the afternoon drift between garden shade and sun. As evening falls, watch the sunset colour the water from the terrace, and later, the lighthouse beam trace the dark. Everything else is quietly handled. You are asked only to slow down, and stay.
