

Penthouse Loutraki

Set directly on the Loutraki beachfront, Penthouse Loutraki is a premium two-level maisonette raised above the shore for privacy and uninterrupted views. Across 125 square metres of bright, airy living, panoramic sea and mountain scenery fills every room, with sunsets over the Corinthian Gulf to close each day. Two bedrooms sleep five, moments from the sand.

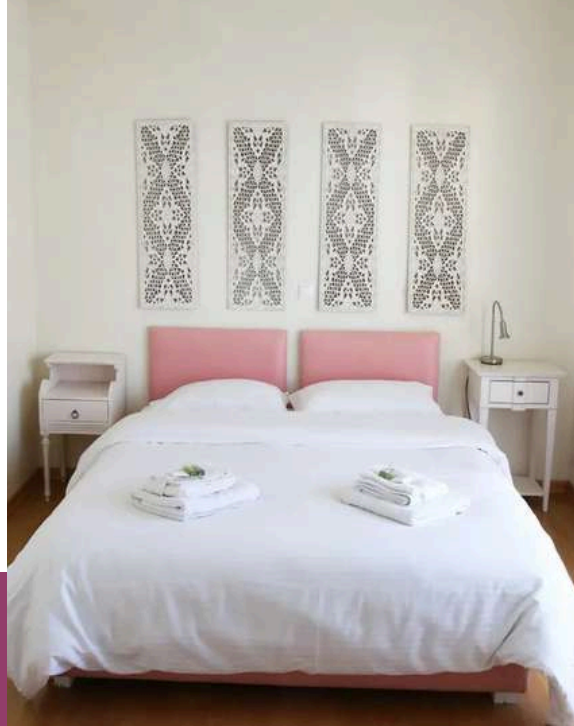

Days here rise and fall with the gulf. Step down to the sand whenever the mood takes you, spend the afternoon in the cool, airy light of the penthouse, then fire up the BBQ as the sun sets over the water. Elevated and private, it is as easy for a working week as it is for a long weekend away.
