Tucked into the hillside of Aghios Patapios, Villa Angelica Namaste is a wellness sanctuary and a private luxury hideaway. Days here move at the pace of your breath. Begin with the sun and a stretch by the pool, spend the middle of the day in stillness with the sea below, then gather for a simple dinner outdoors as the light softens. With a personal chef on request and a concierge on hand, nothing is left for you to do but unwind.

Villa Angelica Namaste By RESTONI

Villa Angelica Namaste is made for gentle, restorative living: unhurried mornings by the pool, quiet afternoons for reflection, and evenings that soften as the sea air cools and the light fades.

Live like a Greek rest like a god

Inside, Villa Angelica Namaste is serene and uncluttered: whitewashed Cycladic calm, natural light, and quiet spaces made for reflection. Three restful bedrooms invite deep rest, while airy living areas open to the terrace and the pool, where sea air and sea views set the tone for slower, more mindful days.

To stay at Villa Angelica Namaste is to give yourself permission to slow down. Wake to the quiet of Aghios Patapios, greet the day with a stretch by the pool, then let the hours drift between sunlight and shade with the sea always in view. As evening falls, breathe it all in from the terrace, unhurried and at ease. Everything else is handled. You are asked only to rest, and restore.
