

On The Rocks Villa

Perched on the cliffs of Kanalia, On The Rocks Villa is a place where the architecture meets the sea almost literally. Panoramic views and unobstructed sunsets stretch over the Aegean and sacred Delos, shared by a private outdoor jacuzzi set into the rock. Three bedrooms sleep seven, in a setting that is exclusive, peaceful and completely private.

Days here belong to the edge of the island. Take in the view from the jacuzzi, spread out across the outdoor lounges through the heat of the afternoon, then gather for dinner as the sun sets over Delos. With a personal chef on request and a concierge on hand, the villa runs quietly, so all that remains is the horizon.

On The Rocks Villa By RESTONI

Live like a Greek rest like a god

Inside, On The Rocks Villa blends Cycladic architecture with modern comfort: whitewashed calm, natural light, and the sea framed in every window. Three restful bedrooms give everyone a private place to retreat, while open living spaces flow out to the terrace, the lounges and the jacuzzi, perched right at the cliff's edge.

On The Rocks Villa is made for dramatic, open-air living: slow days on the cliffside lounges, long lunches with the sea below, and evenings in the jacuzzi as the sun sinks behind Delos.

To stay at On The Rocks Villa is to live right at the island's edge. Wake to panoramic blue over Kanalia, slip into the jacuzzi before the day warms, then let the hours drift across the cliffside lounges. When the island calls, Mykonos Town and the best beaches are a short drive away; when it doesn't, the sunset over Delos is more than enough. Everything else is handled. You are asked only to take it in.
