

Villa Angelica Santosha

On the peaceful hillside of Aghios Patapios, Villa Angelica Santosha is the more intimate of the two Angelica retreats. Its name means contentment, a sense of quiet fullness, and that is exactly what it offers. Three bedrooms sleeping four gather around a private pool with open sea views, a calm, restorative base for couples and small groups.

Days here ask nothing of you but presence. Greet the morning with a stretch beside the pool, spend the middle of the day in stillness with the sea in view, then share a simple dinner outdoors as the light softens. With a personal chef on request and a concierge on hand, all that remains is to breathe, and be.

Villa Angelica Namaste By RESTONI

Villa Angelica Santosha is made for gentle, intimate living: slow mornings by the pool, quiet afternoons of reflection, and evenings that soften as the sea air cools and the sky begins to fade.

Live like a Greek rest like a god

Inside, Villa Angelica Santosha is serene and pared back: whitewashed Cycladic calm, soft natural light, and the sea never far from view. Three restful bedrooms invite deep, easy sleep, while the open living space flows out to the terrace and the pool, where sea air sets the tone for slow, contented days.

Everything here is scaled for calm. Four guests, three bedrooms, and quiet open spaces made for real rest. The private pool and its sea views hold the days, framed by corners for yoga and stillness; the outdoor BBQ and dining area hold the nights. With free WiFi, air conditioning, on-site parking and a personal chef on request, the villa handles the details while you simply find your contentment.
