

Aloria Mansion

High in the hills of Choulakia, Aloria Mansion stands a little apart from the rush of Mykonos, an expansive private estate shaped for people who travel together. Nine en-suite suites sleep as many as twenty-five, and with two of them cradling pools of their own beside one grand central pool, there is room to reunite and room to wander off alone.

Days here ask very little of you. Trade lengths in the pool for a film in the private cinema, an hour in the gym, or a lazy round in the games room. Behind it all, a resident concierge, daily housekeeping and door-to-door transfers move quietly, so the estate simply runs, and you simply arrive, and stay.

ALORIA VILLA By RESTONI

Live like a Greek rest like a god

Step inside and the scale softens into calm: whitewashed walls, natural stone, light pouring through every arch. Each of the nine suites is a retreat of its own, yet the heart of the house always pulls everyone back to shared tables, slow mornings, and long evenings that start at the pool and end beneath the stars.

Aloria is built for the way friends and families actually holiday: spreading out across terraces and lounges by day, then drawing close again as the light turns gold over the Aegean.

COUPLES

Quiet corners, private pools and slow sunsets, made for two to disappear into the island together.

FAMILIES

Room for every generation, easy comforts and safe open space, so parents unwind while children roam.

DIGITAL NOMADS

Fast, reliable connectivity and calm work corners, with the Aegean waiting the moment you close the laptop.

GROUPS

Space enough for the whole crew, shared tables and open living made for being together.

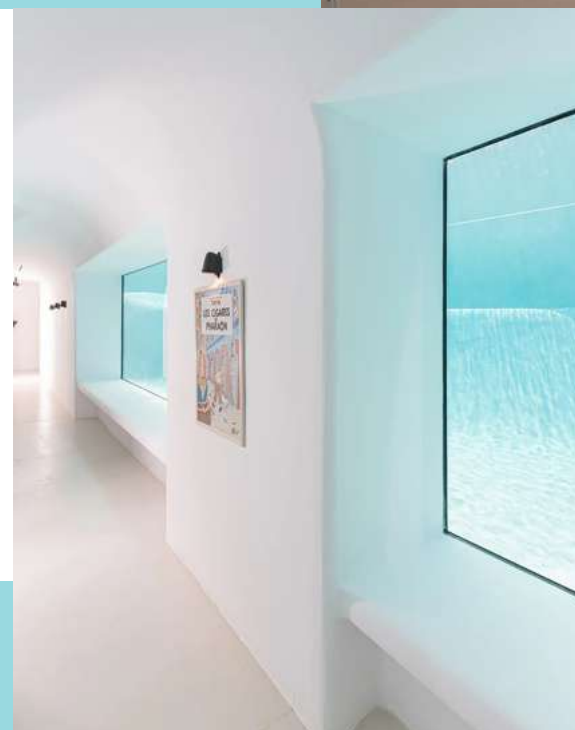

BACHELORETTE

Pools, music and unforgettable nights, with a concierge to handle every detail of the celebration.

BUSINESS & LEISURE

Polished spaces to meet and host by day, then true island calm to unwind by night.

Nothing here feels compromised by numbers. Twenty-five guests, nine private bathrooms, and living spaces generous enough that no one is ever on top of anyone else. A professional-grade gym, an indoor cinema and a games room of billiards, foosball and table tennis carry the afternoons; the outdoor kitchen and BBQ carry the nights. And when a chef is wanted, one arrives, the table set, the day left entirely to you

To stay at Aloria is to fall into the island's slower tempo. Swim before breakfast, while Choulakia is still quiet. Let the middle of the day belong to the pool, the shade, the lunch that never quite ends. As the heat lifts, drift between cinema and games room, then claim the terrace for the evening, the whole Mykonian sky yours to watch. Everything else is handled. You are asked only to be here, and rest.
