

Blue Studio *Cavo Delos*

At Cavo Delos in peaceful Kanalia, Blue Studio is an intimate sea-view escape for two, pure Cycladic blue and white against the Aegean. The view reaches towards Delos, while a private shaded terrace with its own dining corner is made for slow mornings and long, glowing sunsets. Secluded and quietly luxurious, it is a hideaway shaped for couples.

Days here are simple by design. Wake to the blue of sea and sky, take breakfast on the terrace, then let the hours drift with a book and the view. Cook in the kitchenette, or head into Mykonos Town, an easy trip away. As the sun sets over Delos, the sky deepens to blue, and the evening is yours.

Emerald Studio By RESTONI

Live like a Greek rest like a god

Inside, Blue Studio is calm and beautifully compact: crisp Cycladic blue and white, soft natural light, and thoughtful comfort in every corner. An open living space and fully equipped kitchenette make self-catering effortless, while the bedroom rests just steps from the terrace, where the sea and the sunset are always waiting.

Blue Studio is made for slow, intimate days: coffee on the terrace at sunrise, an afternoon lost to the blue of the Aegean, and evenings that soften as the light fades over the sea.

Everything here is scaled for two. One bedroom, one bathroom, and a bright open space that feels calm rather than compact. The sea-view terrace and its sunsets over Delos hold the days; the kitchenette makes easy, unhurried nights in. With free WiFi, air conditioning, private parking, and airport transfer or car rental arranged on request, and pets welcome too, everything is kept simple, so you can simply relax.
