

Infinity Élite Estate

High above Plintri, Infinity Élite Estate looks out across the open Aegean, a 480 square metre retreat where a mirror-still infinity pool seems to pour straight into the sea. Seven bedrooms host up to fifteen guests in easy comfort, close to the beaches and Mykonos Town, yet private enough to feel like the horizon belongs to you.

Days here follow the sun. Swim where the pool meets the sky, trade the loungers for shade at midday, then gather outdoors for dinner as the light softens over the water. A personal chef, a dedicated concierge and every quiet comfort are arranged in the background, so all that remains is the view, and the evening.

Infinity Élite Estate By RESTONI

Live like a Greek rest like a god

Inside, the mood is calm and contemporary: clean lines, natural light, and the sea framed in almost every room. Infinity Élite is made for gathering in the open air: long lunches on the terrace, slow afternoons by the pool, and evenings that linger as the Aegean turns from gold to deep blue.
